Assignment Week #:

AP English 11—Work is due on May 15

1. Finish writing the journal about your daily activities. You need to have a total of at least twenty entries.
2. Finish *Between the World and Me*.
3. Write a one to two page letter to someone to be read in the future. Make sure your audience for the letter is clear from the beginning. You need to choose a single topic and cover a few points that branch off from that topic. For instance, consider how *Between the World and Me* is ostensibly about a man explaining to his son how to be an African American in the world, but it is also about Coates's philosophies on media, education, and a variety of other aspects of American life. Make sure you choose a topic that truly interests you and one in which you can engage.
