

Distance Learning Week #5

Leadership: Mason

Assignments are optional and only for enrichment.

These assignments will not be graded.

1. Complete the Values chart bracket. Write a paragraph reflection of what you thought about the assignment. Did anything surprise you? What did you learn about yourself? If you want to show me, send it to smason@tusd.net or text it to me. 😊

For those of you in the class next year, look for information in the future for possible meetings during the summer (if we are allowed). We will try to have some zoom retreat meetings if we can't meet in person in order to plan for Homecoming and Kick off. See you in August!!! <3
