(TRACY, CA) - Tracy Unified School District is now considering names for the Kimball High School Theatre.

The Board of Education will consider submitted names recommended by the screening committee. Suggestions may be submitted on the Request to Name a School/School Facility form which is available online, or at the District office located at 1875 W. Lowell Avenue. Completed requests shall be submitted to the Superintendent's Office. The District will accept requests received in the Superintendent's Office no later than 5:00 p.m. on April 17, 2023.

Individual buildings or facilities may be named for a person and may include local educators, community and civic leaders who have made long-term, outstanding contributions to the school district, county or community.

The Screening Committee shall review the names submitted on the District form, and using the selection criteria, reach consensus and make recommendations to the Board at a regularly scheduled public meeting for the Board's consideration. The tentative recommendation date for the board meeting is May 9, 2023.

For more information, contact the Superintendent's Office at 830-3201.
