Student Name:

Teacher Name: Mr. Gonzalez

Class Name: Technical Drawing / Adv Tech drawing

Period:3,4 &5

Assignment Week#:3

Create the following 3 Dimensional drawing on a blank sheet of paper using only a pencil and a straight edge. Do your very best,as this is something we would normally do with computer software. Keep in mind to use 30 degree angles and straight lines. If possible, take a picture of your work and e-mail it.
