

Distance Learning Week #4 Lesson Plan

Mason: Leadership

Assignments due: May 15th

Assignments:

1. Write a one page letter of advice/suggestions for the person that will have your position next year. Describe what you did as your position, challenges that you faced, events that you planned, things you would do differently etc. This assignment will be given to the person that is taking your position next year.
2. Complete the future Rally planning assignment below. Email Mrs. Mason your PowerPoint/Google Slides/pictures of handwritten work.
3. Show Mrs. Mason proof that you completed your Senior Wills/Senior Send Off assignment that was passed out during Week 2 of Distance Learning. You can text/email a picture to show proof before you give it to the person.

Leadership Rally Assignment

In order to prepare for next year's rallies, you will plan a one hour rally for your last Distance Learning assignment.

Your rally must include:

1. A coherent, specific, and school appropriate theme that is relevant to KHS (that hasn't been during your current high school experience)
2. A detailed rally outline (not script) with an included timeline
3. Two or more appropriate games that are related to your theme and are thoroughly explained.
4. Two or more performances (you must explain why you have chosen these performances).
5. A visual (Google Slides, PowerPoint or hand created) that neatly organizes all of the details of your rally.

Keep in mind:

- You should get creative!
- Take this seriously—we are going to need rally ideas next year!!
- Have fun!
