

Student Name:

Teacher Name: Mr. Gonzalez

Class Name/Subject: Computer Applications/Adv. Com Apps

Period:6

Assignment Week:5

Use Microsoft Word to type or hand write a short reflection on the technology that you believe will be important going forward. With social distancing in mind and with the need to communicate what are some ideal computer programs or software that can be useful? Explore any possible technologies that you believe might have a place in the future of computer applications.
