| NGSS and Enhanced Physics | Objective 1: Students will explore Career and College interests and options. | <ul style="list-style-type: none"> Unplugged Option Digital Option Blended Combination <ol style="list-style-type: none"> Digital Option - Students will use the California College website and complete Tasks 1-3. Non-Digital Option – <ul style="list-style-type: none"> Students will brainstorm a list of skills they currently have, and skills they want to develop. Students will interview an adult about their educational and career experience. Finally, students will document what they plan to do as a career and how they will get there. Final Week 5 Reflection. | <p>Students will receive at least a weekly message from me through Edmodo.</p> <p>Students may also participate in optional office hours through email, Edmodo, or google voice.</p> <p>Contact for Botelho Email: jbotelho@tusd.net #: 209-597-8756.</p> <p>Contact for Rinaldi Email: jrinaldi@tusd.net #: 209-502-6284.</p> | <ul style="list-style-type: none"> Expectation Evidence: Log, Product Method: Scan, photo, upload, or deliver <p>All tasks will be submitted for a grade.</p> <p>All tasks will be submitted either digitally (through Edmodo) or hardcopy. DO NOT submit some hardcopy and some digitally!</p> <p>Note: Handwritten documents can be scanned, or a picture taken to submit digitally. Please be sure it is legible!</p> |
| Scheduled, if possible, Shared Experience | Discussion Through Edmodo | | | |
| Scaffolds & Supports | I also encourage students as they are reading and discuss the text with their family. We have already worked on notetaking and annotation in class regularly this year. This could include highlighting, underlining, questioning, sketching – whatever will help them. | | | |
| Teacher Office Hours <i>2 hours daily (all classes):</i> | Everyday: Botelho: 8-9 AM and 2-3 PM through email, Edmodo, or Google Voice Rinaldi: 9-10 AM and 1-2 PM through email, Edmodo, or Google Voice | | | |
