Distance Learning Week #2 Lesson Plan
Brown: AVID 1
Due Date: 5/8/2020

Assignment:

1. Complete a Time Management weekly schedule based on the assignments that your teachers have given you for your other classes. Put the name of the class and what assignment you are completing in the time slot you are working on it.
2. Complete a "check in" for the week. This is basically a reflection on how things are going for you. It is very similar to what we would do on Mondays in class. I am looking for approximately ½ of a page written or typed. The content of your "check in" can be school related, personal related, or just simply a way for you to get your various thoughts down on paper.
3. Complete two learning logs. One in Biology and one in Math.
4. Work may be submitted on Edmodo, via email, or hard copy. My email address is davbrown@tusd.net.

When you turn in your assignments you must have the following header on the work:

Student Name:
Teacher Name:
Class Name/Subject:
Period:
Assignment Week #:
