

Medical Terminology (The Nervous System) Week 4:

Dear Students,

I hope you are all doing well, and that you and your family are safe and healthy. For **Week 4**, we will be finishing up the **Nervous System**, which corresponds with **Chapter 15** in the textbook. I have instructions for both textbook, and digital, options below. The lessons and weekly exercises (below) should take you around 2.5 hours per week (including reading, learning the material, answering HW questions, etc.). Please carefully read the directions for submitting your HW (at the bottom). Thank you.

Mr. Foster
