Sports Medicine

Lesson Plans Week Four & Five:

### Sports Medicine

#### Week Four:

Career Exploration

Standards:

- CTE.HSMT.FS.3.1 Know the personal qualifications, interests, aptitudes, knowledge, and skills necessary to succeed in careers
- CTE.HSMT.FS.3.2 Understand the scope of career opportunities and know the requirements for education, training, and licensure
- CTE.HSMT.FS.3.3 Develop a career plan that is designed to reflect career interests, pathways, and post secondary options
- CTE.HSMT.KPAS.3.4 Research the scope of career opportunities available and the requirements for education training certification and licensure

Objectives:

- Students will contemplate a career that they are interested in pursuing
- Students will research a chosen medical career path
- Students will write a written summary/reflection on their chosen career path.

Assignment #1-Complete the Career Exploration Questionnaire

Assignment #2-Write a one page summary/reflection on their chosen career path

#### Week Five:

Assignment #1-Complete the end of the year Class Reflection

**Digital and hardcopy assignments will be the same just a different format.**
