## **Jurassic Park- Week Four**

(Pages 303-448)

1. Against Hammond's wishes, what do Muldoon, Arnold, and Gennaro do?
2. Who goes to the maintenance shed in efforts to start up the generator?
3. Chased by raptors, Lex and Tim run into the nursery. While there, what do the kids discover and use in hopes of distracting the raptors?
4. How do the raptors respond to the kids' discovery?
5. In the laboratory, how does Grant kill three raptors?
6. When Hammond asks if ozone layer depletion or radiation will wipe out life, what is Malcolm's reply?
7. After the computer system goes back online, the automatic dinosaur counting numbers go down. How does Grant explain this outcome?
8. Gennaro can't wait for a military attack on the island, but Grant doesn't think that is enough to deal with the danger. Therefore, what does he (along with Sattler, Muldoon, and Gennaro) set out to do?
9. Who slips into a coma?
10. Why isn't Hammond worried about an impending military strike?
11. In Hammond's mind, what is the biggest reason for the park's failure?
12. What led to Hammond's breaking his ankle? Be specific.
13. Near the end of the novel, what does Grant realize after watching the raptors' behavior?

14. Explain why the following quote by Ian Malcolm is significant: “Scientists are actually preoccupied with accomplishment. So they are focused on whether they *can* do something. They never stop to ask if they *should* do something.” (318)

## **Week 5 (optional)**

For week 5, you may find a book of your choice to read. After you have read the book, you will write a one-page summary/review of that book. You may discuss the plot, characters, and why you would or would not recommend the book to a friend.
