| | <p>Students will be able to:</p> <p>Develop a plan for yearbook distribution in May</p> | <p>For the week:</p> <p>Directions: Write up a plan for how to distribute the yearbooks at the end of May this year. Assume that social distancing (6ft apart with PPE, personal protective equipment) will still be in effect, so take that into account. Having said that, try to come up with a plan that somehow can incorporate a celebration no matter how minimal it is. Make your plan as detailed as possible and try to account for as many variables as you can. This assignment is critical because I need all the ideas I can get in regards to yearbook distribution.</p> | <p>Students will receive at least a weekly email from me.</p> <p>I will contact students without digital access weekly via phone.</p> | <p>Unplugged: Turn in assignment to the school.</p> <p>Digital: Submit assignment via email to cmunger@tusd.net.</p> <p>All work is due on: Friday, May 15th along with any previously unsubmitted work from previous weeks. May 15 is the <u>FINAL</u> date to turn in any work!</p> | |
