Assignments

Beginning April 20, 2020, during the distance learning period, **All** students must complete and submit one of the following three assignment options each week for the next four weeks to Mr. Cortez, 2020 in order to receive course credit for fourth quarter and the Spring semester 2020; there will be no final exam. Each week's assignments are worth 100 pts for a total of 400 pts for the quarter.

Each week, choose **ONE** of the following three assignment category options (these can be the same or different options each week – your choice) and then complete & submit each one by the weekly deadline (example, weeks 1 and 2 are due by Friday, May 8th, weeks 3 and 4 are due by May 15th); all assignments have an absolute deadline of Friday, May 15, 2020.

- **OPTION "A" - PRACTICE CARD** (*Digital or paper only access*): Complete & submit the weekly practice card, including a parent signature, demonstrating a **minimum** of 150 minutes of focused, individual practice per week. For band and jazz band students, some time needs to be dedicated to warm ups, i.e: scales, long tones, blue book exercises, intonation, etc.
- **OPTION "B" – MUSIC HISTORY** (*Digital access only*): Complete & submit a weekly research paper, providing material that was found/highlighted & list examples of pieces that the composer wrote. Attach material to research paper.
- **OPTION "C" - MUSIC APPRECIATION & THEORY BINGO CARD** (*Digital or paper only access*): Complete & submit the attached worksheet and prompts that assign work to be completed.

Accessing assignments in Options A, B or C may be done digitally through the Kimball High Website will send. This is the most preferable, efficient, economic method!

If digital distance learning is not an option, then submitting assignment Options A or C may be done on paper, receiving and returning the printed assignments in person at the Kimball High School office.

OPTION "A" - PRACTICE CARD

(Digital or Paper Only Access)

Piano Students: If you have a piano/keyboard at your house

Complete & submit the weekly practice card, including a parent signature, demonstrating a minimum of 150 minutes of focused, individual practice per week. If you are able to practice, start off with scales/chord progressions that we've worked on and wrote out. You may work on the remainder of the current checklist that we were finishing up for the end of the first book and can record material, or you can learn a song for fun. Complete & submit this form once each week:

- Week 1 (Monday April 20 – Sunday April 26)
- Week 2 (Monday April 27 – Sunday May 3)
- Week 3 (Monday May 4 – Sunday May 10)
- Week 4 (Monday May 11 – Friday May 15)

If you submit this form digitally, you will need to have your parent send a separate email/message as well as a picture in order to verify that you did do this practice log.

If you are submitting this as a hard copy to the school, you will need a clean copy for the next week.

This is your chance to learn more about the composers, time periods, or simply the different styles of music that we study, work on and perform. For all of my **piano students**, we are still moving forward with learning more about music history. Now that we have taken a look into the lives of 3 composers from the Baroque Period (Bach) and the Classical Period (Mozart and Beethoven), we are going to go into the **Romantic Period**. For this week, I would like you all to read through this page that goes into brief detail about the history of the Romantic Period. I would still like you to highlight key pieces of information that you found to incorporate into your written/typed response. Listen to the recordings that are a part of the page as well and include your thoughts on them in your response paper. <https://www.classicfm.com/discover-music/periods-genres/romantic/romantic-music-beginners-guide/>. Once you have completed this first assignment, you will need to do research into a composer of your choosing from the Romantic Era. You will find a resource for Romantic composers at the end of this page. Once you pick the composer of your desire, do your best to find information on that composer and type/write out a research paper in MLA format, while giving a works cited page. Once again, you will need to highlight any key pieces of information that stuck out to you and write/type out a 2-3 pages (or more) response to the article. Make sure that you listen to some compositions by the specific composer that you picked. Incorporate what you listened to into your response paper. What did you hear as you were listening to some of the pieces of music? How did you feel and did you imagine anything? If so, what did you imagine? **You can either submit your responses to me via email with your information, taking a picture of your research/paper and send it to me via email, or you can submit your hard copies once they are due by May 15th.**

OPTION "C" - MUSIC APPRECIATION & THEORY BINGO CARD
(Digital or Paper Only Access)

Spring Music Challenge

Rules: If you decided to do either Option A or B before, go ahead and have fun with this Bingo Card! Remember that there is still work that is needed to be completed and turned in with your bingo card. If you have already done this for the first two weeks, switch to either Option A or Option B! If you started this during the start of week 3, you have this week to complete it. (You **must** get a signature from a parent/guardian to verify completion) A regular "BINGO" (Vertical/Diagonal/Horizontal) earns 50 points. A "BLACKOUT" (all boxes have a signature) earns 300 points. Squares signed more than once will earn an extra 10 points each.

When you are asked to list, draw or write something down, do so on a separate piece of paper and attach it to this BINGO card as evidence. If you prefer to have a hard copy of the assignment, you will need to turn this into the KHS office on the specified date. You may also take pictures of your bingo cards and work if you prefer to email them to me. Your parent ALSO needs to email myself in order to verify the work completed. These are the two best options.

You may turn this in once a week or at the end of week two – **no later than May 15th**.
